

ViSiON iS A SURFACE

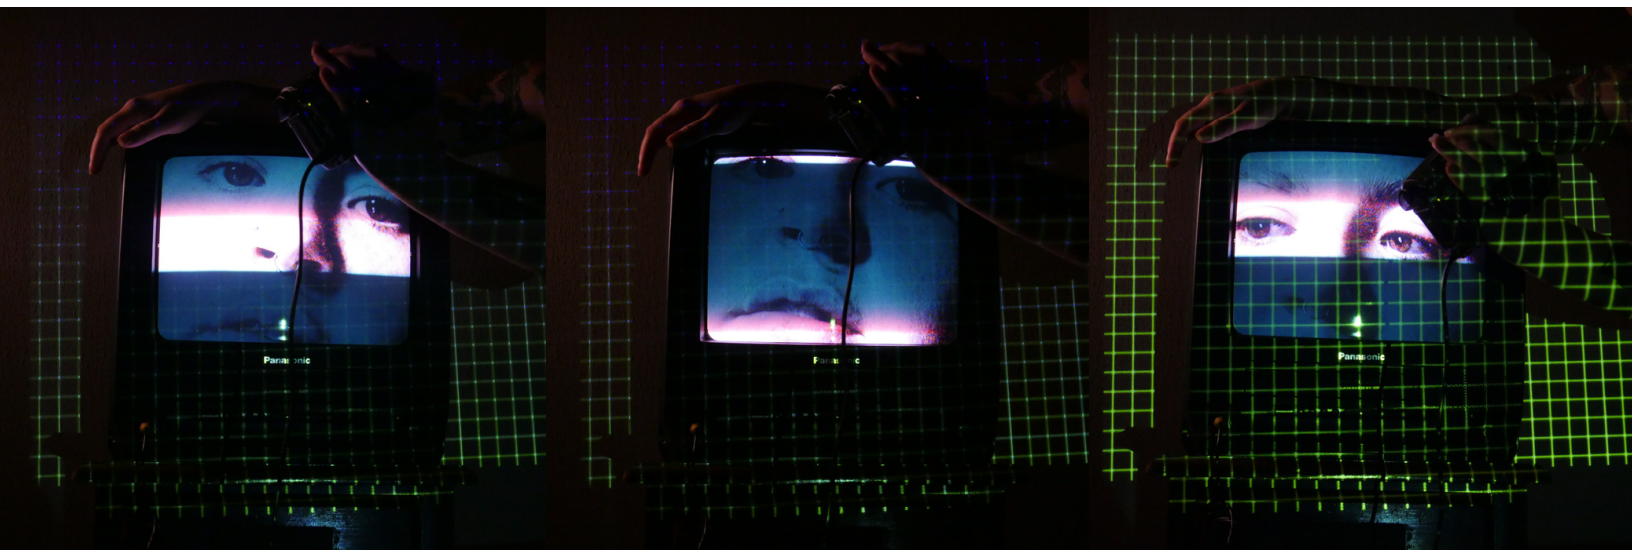

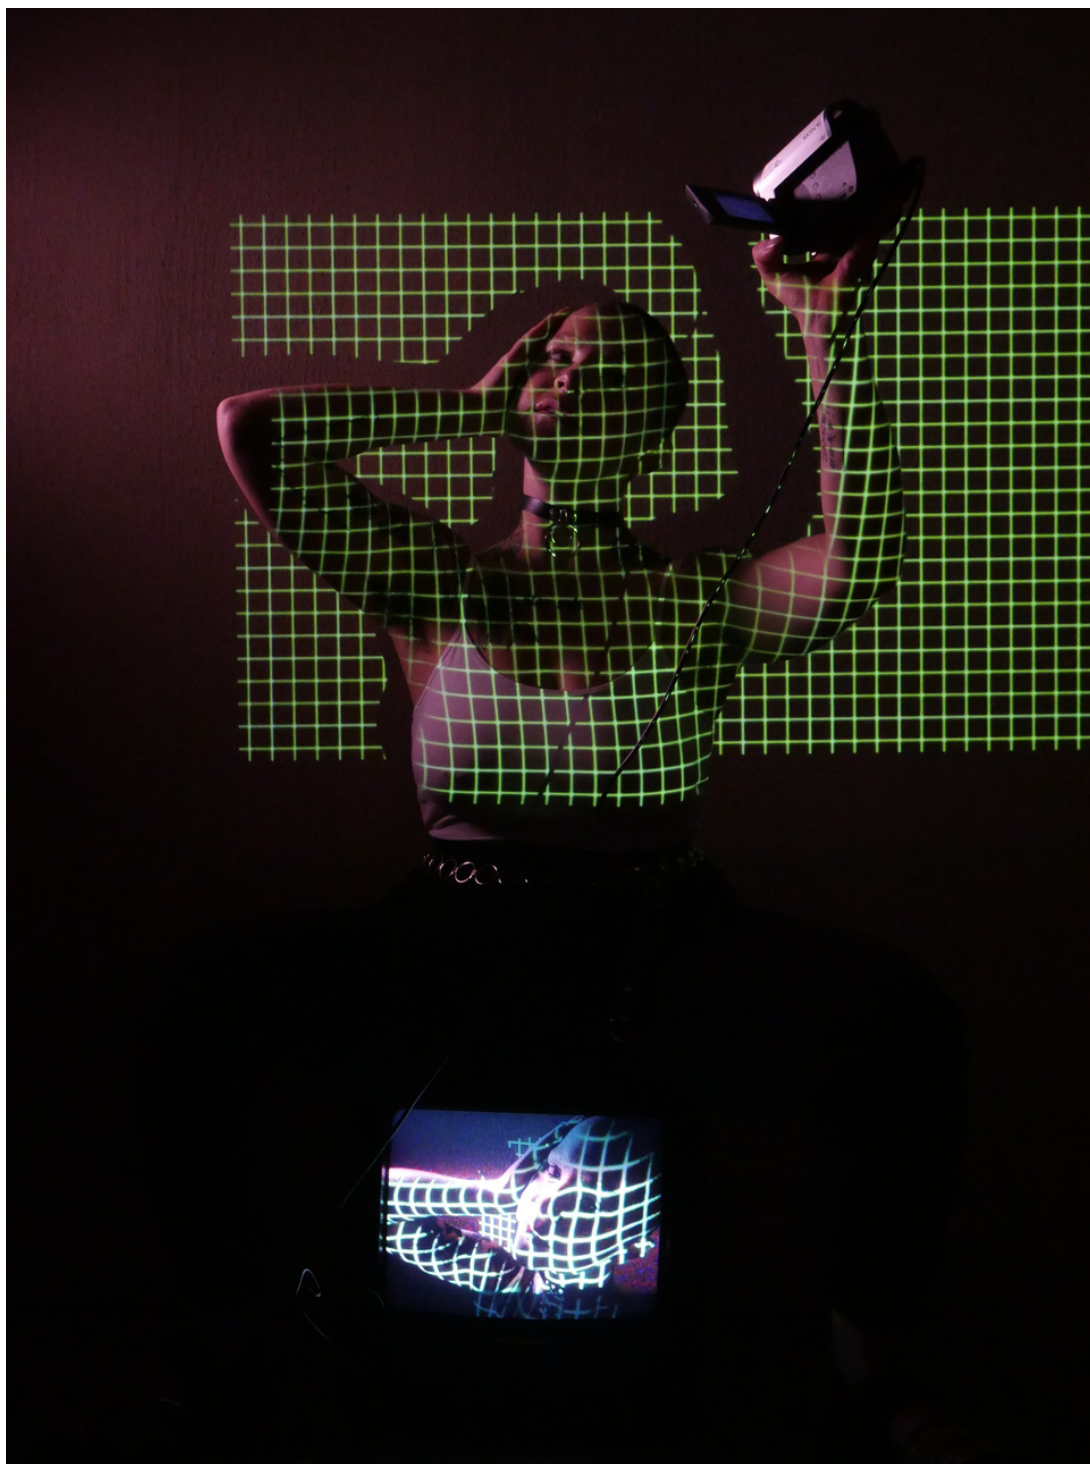

At DORDOR Gallery  
Nov. 2021

She is mapped back on to herself having lost a dimension through data conversion. Is she still recognizable? She I mean me, it makes me dizzy, watching myself from the outside. I was built to be inside myself looking out. Form implies function. If I keep staring at my own reflection, I'll drown.

Inspired by texts including Donna Haraway's Cyborg Manifesto, the Bitch Mutant Manifesto of VNS Matrix, and countless girl bloggers.

Thanks to Maddy, my incredible model
